

Lake County Mental Health
Mental Health Services Act
Community Services and Supports
And Prevention and Early Intervention
Notice of 30-Day Comment
And Public Hearing
April 23, 2011

Lake County Mental Health (LCMH) is announcing the 30-day comment period from April 23 – May 23, 2011 for the Mental Health Services Act (MHSA) FY 2011/12 Annual Update to the Three-Year Program and Expenditure Plan for Community Services and Supports (CSS) and Prevention and Early Intervention (PEI).

The public hearing will be held at 4:00 p.m. on Thursday, May 26, 2011 at the Historic Courthouse Museum located at 255 North Main Street in Lakeport.

MHSA provides an array of services to those persons of all ages who suffer from, or are at risk of, severe mental illness. These services include full service partnerships with individual consumers in need of intensive, “whatever it takes” services to avoid hospitalization, incarceration or homelessness due to mental illness. MHSA provides general services such as the adult and transitional age drop-in centers as well as mental health services for those involved with the jail or juvenile justice systems. Others benefit from outreach and engagement to those populations deemed underserved or not served by traditional mental health services.

The FY 2011/12 Annual Update may be viewed on the Lake County Mental Health website at www.co.lake.ca.us/Government/Directory/Mental_Health/MHSA.htm.

Hard copies may be accessed from the reception desks at LCMH clinics in Lakeport at 991 Parallel Drive and in Clearlake at 7000-B South Civic Center Drive, and at The Bridge Peer Support Center in Clearlake at 14954 Burns Valley Road.
