

Lake County Mental Health
Mental Health Services Act
Prevention and Early Intervention
Notice of 30-Day Comment
February 18, 2012

Lake County Mental Health is announcing the 30-day comment period from February 18 – March 18, 2012 for the Prevention and Early Intervention component of the Mental Health Services Act FY 2011/12 Plan Update to the Three-Year Program and Expenditure Plan.

The Mental Health Services Act has been providing funding to Lake County since 2005 to support a variety of initiatives to assist consumers and their families in the local community. These initiatives include direct services and supports as well as prevention and early intervention programming. Input from consumers and their families, partner agencies, and representatives from cultural and ethnic populations in Lake County aided in the development of these programs through the Community Program Planning process as required by the Act. At this time, stakeholder participation is requested to provide input on proposed changes to the Prevention and Early Intervention program.

The FY 2011/12 Plan Update may be viewed on the Lake County Mental Health website at www.co.lake.ca.us/Government/Directory/Mental_Health/MHSA.htm.

Hard copies may be accessed from the reception desks at Lake County Mental Health clinics in Lucerne at 6302 13th Avenue and in Clearlake at 7000-B South Center Drive, and at The Bridge in Clearlake at 14954 Burns Valley Road.

Copy requests by mail and any questions or comments about this document for Lake County may be directed to:
